

Introducing Ocean Club Condominiums

Six Luxury Homes

To Be Built with Buyers Choice of Decor

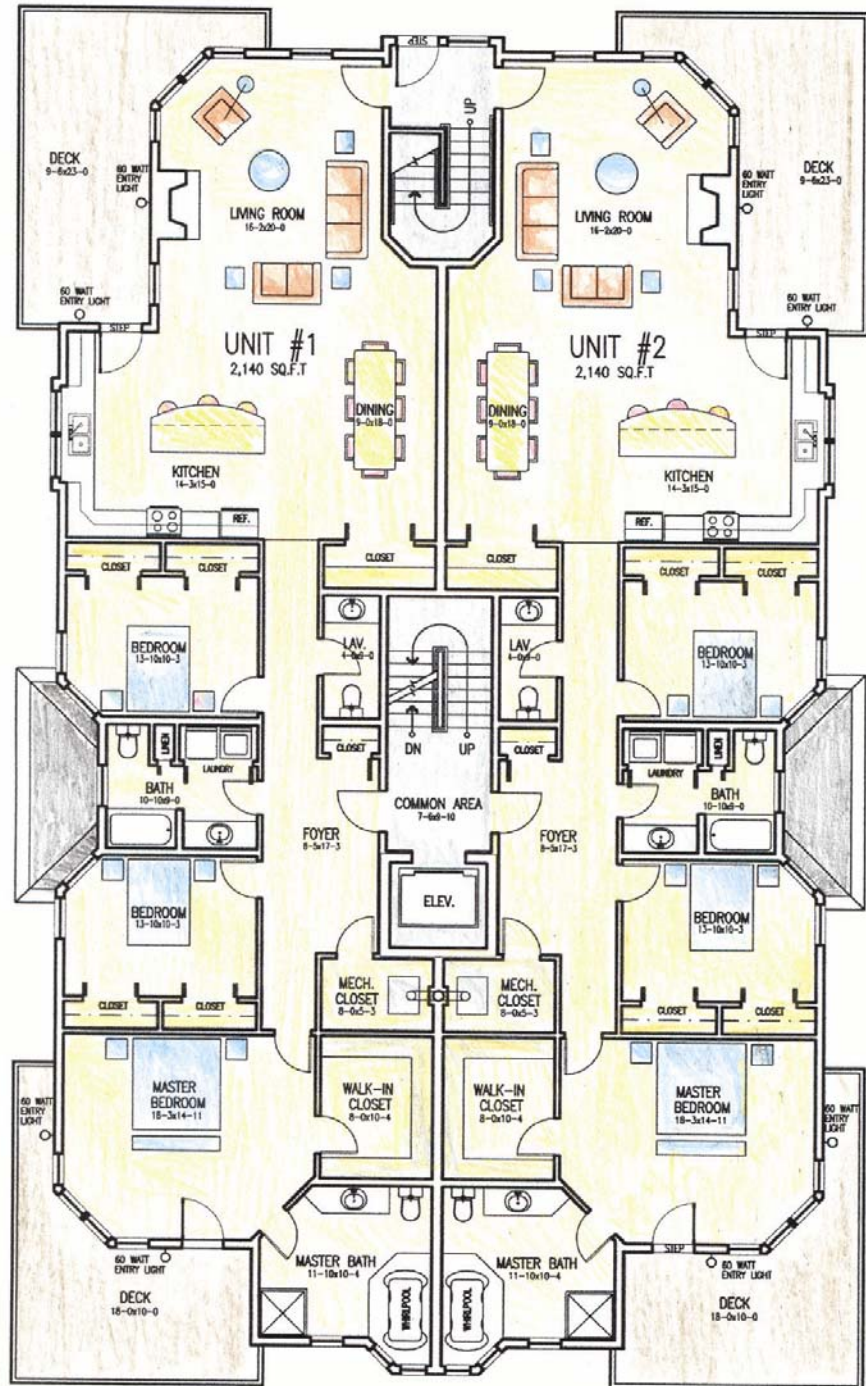

- The building will offer elevator service from the parking level to all living levels.
- There is covered parking for 2 cars per residence, as well as a guest parking spot.
- Private beach lockers are also located in the parking area

- Over 2,100 square feet of luxurious living space with 400 square feet of wrap around balconies.
- 3 spacious bedrooms and 2 1/2 baths.
- A lavish master suite with an 8' x 10' walk-in-closet, whirlpool tub and separate shower.
- Kitchen features granite counters with either stainless steel or built-in appliances including stove, refrigerator, dishwasher and microwave
- Baths feature ceramic tile and granite counters
- Full size in washer & dryer in each home
- Buyers may choose their flooring (hard wood, carpet or ceramic tile), cabinets in the kitchen and baths, and their surface mounted lighting
